

PLAYER MAP X-RAY

Set up PMX folders to speed up managing your Player Maps.

PLAYER MAP X-RAY

The screenshot shows a file explorer window titled "Folders & Player Maps". At the top right, there are two buttons: "Create New Folder..." and "Create New Player Map...". The main area lists several folders and files:

- Solo** (Folder)
 - [Alpha 8.20.11](#) (File) with an "Action..." button
 - [Vista 2.18.11](#) (File) with an "Action..." button
- Acme** (Folder) with "Shared by Scott" and an "Action..." button
- Gerhard** (Folder) with an "Action..." button
- Monique** (Folder) with "Shared with 1 other" and an "Action..." button
- Sandra** (Folder) with an "Action..." button
- Tao** (Folder) with an "Action..." button
- Top 10** (Folder) with an "Action..." button

Annotations with blue arrows and boxes point to specific folders:

- Your Player Maps** points to the **Acme** folder.
- Key Companies** points to the **Monique** folder.
- Your People** points to the **Tao** folder.
- Top 10 Pursuits** points to the **Top 10** folder.
