**Dispute Resolution.** If a dispute arises between Client and any of the PM Parties, it is the goal of PM to work in good faith with Client to quickly and amicably resolve the dispute. All disputes, claims, or controversies ("Claims") arising under or relating to this Agreement, this website, or the goods or services that cannot be resolved informally, will be finally resolved by binding arbitration as described herein.

Any dispute arising under or related to this Agreement, PM or [www.playermap.com](http://www.playermap.com), PLAYER MAP X-Ray ("PMX") or [www.playermapxray.com](http://www.playermapxray.com) (including the ability to arbitrate such a dispute and the existence, validity, interpretation, performance, termination or breach thereof) shall be finally settled by binding arbitration by a single arbitrator in accordance with the then-current Commercial Arbitration Rules of the American Arbitration Association ("AAA"), with the arbitration to be commenced no later than one (1) year after such Claim accrues (in absence of which it shall be deemed forever waived). A judgment upon an arbitrator's award may be entered by any court of competent jurisdiction. The arbitrator shall be an expert in the field of Internet services. To the extent permitted by applicable law, Client agrees that there shall be no class action arbitration related to this Agreement or the goods or services. Unless specifically stated otherwise in this Agreement, all parties shall bear their own expenses, except that the parties shall equally share the expenses of the arbitrator (except for the required non-refundable filing fees which shall be paid solely by the party asserting the related Claim).

The above obligations to arbitrate shall not prevent PM from seeking injunctive relief related to claims pertaining to PM Confidential Information, or prevent a party from seeking a preliminary injunction, temporary restraining order, specific performance or other procedures in a court of competent jurisdiction to obtain interim relief when deemed necessary by such court to preserve the status quo or prevent irreparable injury pending resolution by arbitration of the actual dispute.

Exclusive jurisdiction and venue for arbitration or any other legal action or proceeding in any way related to this Agreement, PMX or PM shall be in Milwaukee, Wisconsin. Any matter brought before a court shall be brought solely in the state or federal courts located in Milwaukee, Wisconsin.
