

Player Map sales system is proven worldwide to elevate sales performance

1. Perform + Qualify

- Work together as a high-performance team to navigate the client Player Map.
- Qualify projects using Quali-5 attached to the Player Map for an all-in-one plan.
- Demonstrate the core PMX features and how to effectively build Player Maps.

2. Players + Bridges

- Identify key client Players, and design Player Plans to help achieve their goals.
- Manage champions and competitors, and successfully bridge the Player Map.
- Walk through the start, development, and outcome of how you Player Map it.

3. Results + Approach

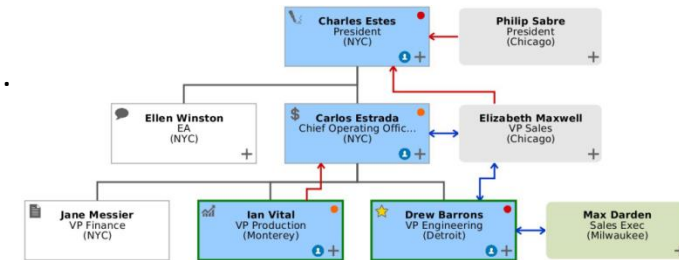

- Confirm the results key Players are looking for to help customize your solution.
- Quantify and deliver your value package so Players can clearly see your edge.
- Adapt approaches to position value with Players and offset your competitors.

4. Dialogue + Negotiate

- Use a communication process that helps generate dialogue with key Players.
- Lead negotiations as a meeting conductor who best positions your solution.
- Master negotiating playbook to skillfully utilize Players/Pause/Position plays.

5. Projects + Deliver

- Present Quali-5 + Player Map to model approach and show process mastery.
- Prepare and deliver an Elevator Pitch on “Why buy from you?” for the project.
- Earn Player Map certification upon successfully completing the total program.

Each module is presented on a 2-hour webinar, with webinars scheduled same day & time for 5 weeks and everyone on webcam to help maximize interaction.
